

**IONIA COUNTY ROAD COMMISSION
PUBLIC NOTICE
BRUSH SPRAY PROGRAM**

The Ionia County Road Commission will begin its brush-spraying program for roadside right-of-way after July 26, 2010. Completion is expected by August 23, 2010.

Maps showing affected roads are available at the Ionia County Road Commission office located at 170 E. Riverside Drive, Ionia 48846, or call (616) 527-1700 during the hours of 7:30 a.m. to 4:00 p.m. to verify if your road will be affected.

“No Spray Permits” will be available until July 21, 2010, at the road commission office, for property owners who wish to accept responsibility for maintaining the roadside area, rather than spraying. No spray will be applied in areas where lawns are maintained to the edge of the roadway.
